Room MR C4.11 · ICC Sydney

SPONSORSHIP PROSPECTUS

Sponsor RTCA 2026

RTCA brings together the speech, vision, language, HCI, and ML systems communities around agents that listen, see, and respond in real time. Sponsorship keeps the workshop open and accessible, and puts your organisation in front of the researchers building these systems.

Know what you want? Everything below is fully customisable. Let us know what will be most valuable to you and we will help build a package for you.

WHERE YOUR SUPPORT GOES

Speaker travel

Travel and accommodation for invited speakers and panellists.
